We believe the best way to extend value to landowners is by helping them harvest what they manage, and managing what they harvest.

Our forestry consulting division provides this extension of value through comprehensive consulting and intermediate management services. We can assist you with experienced professional expertise and resources for:

- ▲ Management Plans
- ▲ Reforestation
- ▲ Fertilization
- ▲ Herbaceous Weed Control
- ▲ Prescribed Burning
- ▲ Road System Layout, Construction and Maintenance
- ▲ Erosion Control and Stabilization
- ▲ Food Plots, Corridors and Wildlife Openings
- ▲ Boundary Line Management

Robert Phares #24

You are here to shine in your own way and to be the best that you can be. Never forget your strengths and how you can make a contribution to this world. You know that life doesn't always play fair but when you look in the mirror, remember you are worthy of the best that life has to offer. Be strong and committed in reaching your goals.

"I can do all things through Christ, who strengthens me."
Philippines 4:13
